NOTES: _____

NOTE: If the marina winterized the engine and water system, only the batteries have to be hooked up and water added to the water systems and flush out the non-toxic antifreeze. All water systems are returned in the same state of readiness.

I have read both sides and I hereby authorize the above work to be done along with any necessary materials. I agree that the marina is not responsible for any loss or damages to unit (s) and or contents in case of fire, theft, or any cause beyond the control of the marina. I realize that I have substantial liability by not having insurance on my boat.
